

Health & Safety

Policy

Together we strive to be better every day by committing to managing the safety risks at our operations so that employees and other workers are not exposed to the risk of significant injuries and fatalities.

Together we will:

- Protect employees and other workers from exposure to workplace health & safety risks.
- Prioritise and support workplace health programmes and provide training programmes to build knowledge.
- Actively manage the rehabilitation and safe return to work of any employee who has suffered a work-related injury or illness.
- Recognise employee's rights, including being supported by another employee or representative of their choice throughout the rehabilitation and return to work process.
- Accurately report and record all incidents and safety concerns, ensure investigations identify incident causes, and ensure there is accountability for corrective actions.
- Encourage an open, honest and transparent reporting culture where all workers participate in reporting incidents and safety concerns.
- Set high standards of operational discipline and ensure accountability.
- Commit to meet company, relevant regulatory and industry standards.
